## Image Fees and Permission

Permission is not necessary for personal use, such as home décor or gift. However, use in any public medium requires written permission from the Visual Materials Archive. A fee will be charged for each image used. These fees are separate from, and in addition to, photographic duplication charges. Fees for use of over 20 images *may* be negotiable. A signed *Permission To Duplicate* form must be received by the Archives of Michigan prior to the use of our materials. All responsibility for questions of copyright is assumed by the user. A signed *Permission To Duplicate* form will be issued by the Archives of Michigan, granting specific rights. A free copy of any publication, video, or film using images from the Archives' collections may be requested by the Archives. A credit line with each image should read: **Archives of Michigan, negative #####.**
